VOLUNTEER ROLE STATEMENT

As teachers we value Volunteer assistance in the classroom. Before working with children in the school we ask you to agree to the following:

• I agree that the class teacher is responsible for all children’s education program and their behaviour;

• I agree that any concerns pertaining to a child’s work or behaviour should be directed to the class teacher in the first instance;

• I agree that confidentiality must be respected at all times. No aspect of a child’s progress or behaviour should be discussed with any other person other than the class teacher. If however, the child should divulge information of a situation that could be harmful to them or another child, the matter should be reported immediately to the teacher;

• I agree that Learning activities and group arrangements will be determined by the class teacher;

• I agree that my participation will not interfere with classroom routines.

I agree to abide by the above expectations when I am a Volunteer Helper.
