Fees Explained – 2018

School Fee & Levy Statements will be emailed to all families each term in February, April, July and October.

Fees will be due approximately 14 days from the issuing of your statement.

If fees remain unpaid, the following process will apply:

1. A reminder notice will be issued via email.
2. A follow up phone call.
3. Placement with a collection agency for debt recovery.

Fees may be paid in cash, by cheque, credit/debit card, direct deposit or Periodic payment using a Credit Card (The appropriate form may be requested at reception).

Please contact our Finance Secretary for assistance if you wish to set up a periodic payment.

Receipts for fees paid will be reflected in the accounts for the next term or you may request a receipt or statement at any time.

Payment of annual school fees in advance will attract a discount of \$80 or \$90 depending on the number of children enrolled.

You may choose to pay fortnightly, monthly, by term or annually in advance.

If you wish to pay by Direct Deposit – please use the following account details:

BSB: 064 786 Account No: 27530 1100

Reference: As shown on statement (the 10 digit number starting with 108000????)

Using the correct reference when making a deposit will ensure its correct identification.

Those needing to apply for a fee concession should contact me at the beginning of the school year.

Please do not hesitate to contact me should you have any queries regarding school fees or levies. You may also wish to see our School Fees Policy document.

Thank you

Margaret Tomov.
