

## Vision

**A welcoming, inclusive educational community fostering excellence built on faith, and respect for self, others and the environment.**

## Mission

**Our Lady Help of Christians school welcomes and respects all students from diverse backgrounds to a Christ-centred community. We support all students to challenge themselves to become the best they can be.**

## Values

### FAITH

Trust in God, who helps you in all things

### COURAGE

God gives you strength for whatever is necessary

### ACTION

Never see a need without doing something about it

## Priorities

### Catholic identity

#### Goal

Develop a deeper theological and spiritual understanding of our Catholic Identity

#### Strategies

- ❖ Celebration and Community formation on School Patron Saint and the Charism.
- ❖ Extend the Short Term Planning cycles to Religious Education.
- ❖ Continue the spiritual formation of Staff, Students and Parents with Staff setting a formation goal.

#### Success measures

- ❖ Evidence of formation and community celebration of feast days themed around patron saint and charism.
- ❖ Evidence of Short Term Planning Cycles in Religious Education.
- ❖ Staff Spiritual Formation goals attained.

### Learning and teaching

#### Goal

- ❖ Whole school curriculum delivery plan finalised to improve student learning outcomes.

#### Strategies

- ❖ Finalise the **SOAR**ing at OLHC document to ensure consistent teaching and learning expectations across year levels.
- ❖ Build on Short Term Planning cycles in English and Mathematics and begin to implement Short Term Planning cycles across other learning areas.
- ❖ Focus on developing Assessment capable learners who have the resilience, confidence and skills to demonstrate their knowledge, understanding and proficiencies across all learning areas and in assessment situations (NAPLAN).
- ❖ Liaise with external consultants to continue to build capacity around consistent practices for supporting learners, with a focus on identifying high potential learners.

#### Success measures

- ❖ SOARing at OLHC document completed and shared with wider school community.
- ❖ Evidence of Short Term Planning Cycles across all learning areas.
- ❖ Access student voice to assess mindsets regarding assessment capabilities and readiness.
- ❖ Access student voice to assess high potential learner student engagement.

### Organisational Effectiveness

#### Goal

- ❖ By the end of 2021 our Master Plan will complete stage one to enhance the street appeal of the school and cater for the continued growth in student enrolments.

#### Strategies

- ❖ Continue to work with Parish, Staff and Parent committees to share the vision and strategic requirement for stage one.

#### Success measures

- ❖ New carpark to increase safety. New library to create space for additional Year Two classroom in 2022.

#### Goal

- ❖ Review community partnerships to improve student enrolment predictions.

#### Strategies

- ❖ Streamline enrolment processes and align with local Catholic schools to generate earlier student enrolment predictions for 2022.
- ❖ Enhance connection to local early learning centres creating a greater presence in the community.

#### Success Measures

- ❖ Prep 2022 numbers confirmed in principle by the end of Semester One.
